“ *We just tried to call Ruth and the phone was disconnected. We were worried when we didn't heard at Christmas. Unfortunately, from August on we were caring for Jerry who was hospitalized and undergoing many tests in Philadelphia that followed us to Florida. Where do we start with the wonderful memories we had of Ruth as well as Robbie? As a young couple we were spoiled by their many kindnesses. They were the heart of Hoffnagle Street and were always so supportive. Anything we have in our wonderful store of memories of those days had your parents in a starring role. God bless you all as you enter a new year with your loved ones, Jerry and Mary Anne Brady*
