“ *What a great soul. Sam was an encouragement to me. One of great memories was when we were traveling through New Zealand. After a long day of work, we ended up in a small hole in the wall in Christchurch. He loved life and always looked out for me. He will be missed, but I know that we will meet again one day.*

“ My family is heartbroken at the loss of this fine young man who brought so much joy into our lives just by being Jeff's best friend and college roommate. When he entered a room he brought his infectious smile and it was impossible not to fall in love with him. He would visit me in NJ when he traveled to NYC for modeling gigs and we I would meet him for dinner when I was in MA for business. Every thought of this beautiful young man brings a smile but for now there are also tears. He will be missed but never, ever forgotten. I pray for his family (Felice, Josylnn, Ben, and Penelope) that they will be comforted. Sam was so loved and will always hold a special place in my heart. Love, Faith Carey 🙏❤️

Sam was a student of mine when he attended MHS. He also played on the softball team I managed. He was a terrific young man that talked to me often. Prayer and Thoughts go out to the Pulles family. Joe Felchle
