“ *Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort in the fond memories of them, and The Almighty God's promise to restore those asleep in death to perfect life on a paradise Earth, as written in The Bible for our comfort.*

“ *Dear Amie Brittney and Rachel. I am so sorry for your loss. I can remember when I first met your mother / grandmother in the Cath an E.P. lab. We became best friends and awesome co-workers. I took her to meet my mother she used to cut up any of her papers that had anything important on it very fine with scissors. Sandy started doing that and would tell me I always think of your mom when I do this. We would always say to each other bye sissy I love you. I'm really going to miss my sister my friend. May you rest in heavenly paradise until we meet again.
Love Gail*
