“ Lee and Family. I am saddened by your loss. While I did not know Sandy - reading the tributes to her were inspiring. Take care Lee in knowing you are in the prayers of many folks. I always enjoyed your laughter and tranquility while we worked at Hempfield.. God bless you. Mark Wagaman

“ Dear Lee, Beth, Curt, Michelle, Kevin and Hillary I was so saddened to see the obit in the Lititz Record this morning. I have such wonderful memories of Sandy as a neighbor. Lee, you and Sandy were the best neighbors anyone could ask for. I will never forget the time that I "lost" Megan. I called 911 and Sandy saw me outside panicked. She was still in her pajamas but took off walking the school route to look for her! (Megan was in my garage sitting in the driver's seat of my car pretending to drive, smiling away). My deepest sympathies go out to all of you.

Sandy was such a live force that it is hard to fathom that she is gone. I will miss her smiles and conversation.

“ Many hugs, prayers, love and peace to the family. Let's start by saying Sandy made the best beef pot-pie in the world! I will remember her sense of humor, her wit, her fashion, the hospitality she always showed me and most of all her love for her family and GOD! She will be missed.
