“ We are so sad to lose Sandy and are so sad for all of you. Sandy has been our neighbor for the past 5 1/2 years, and we just loved her. She was always smiling and sharing things with us...everything from advice to toys to food. Sandy even started the mower for me our first summer here (I had never used a mower before having 3 brothers and a husband who typically mowed, and I couldn't get it, but Sandy came to my rescue). I loved to talk to her outside in the summer when she was taking care of her flowers and giving me tips on what to do in our yard. We will miss her greatly! “ Dear Vicky & Family, I am so sorry to hear of Sandy while being here in FL. She has been a dear friend to me since we walked together to school during 6th and 7th. grade. We have never lost contact in all of that time and I always called her my (oldest) friend-- both being 74 years. She was so proud of her family and grandchildren and often spoke of them. I will always miss Sandy. It is a great loss. Sincerely, Joanne Cole

“ Sandy is one of the few people who always had a smile and a listening ear to hear whatever you have to say. When we moved into our first home she was our neighbor and made us feel so welcome and glad we chose that home. It's hard to say goodbye to a truly good person and she will be missed. Loved the trips to her beautiful beach home with the "girls." We had great belly laughs and even drove over the curb to exit a restaurant on the main road at the shore. Sorry you left us so soon Sandy. Love you forever.

*One question Deb, was Mom behind the wheel when driving over the curb? LOL! Her driving had me under the dashboard more than once, but she insisted I was just silly!  
Mom loved you guys too and had so many happy times in your company.  
I'm so glad she had you as a friend for so long ....*
