“ Such a gracious lady. I have fond memories of her at the duplicate bridge games and was the grateful benefactor of her gentle advice such as the “rule of 17” and “avoid underleading a J”. My condolences to the family on the loss of your loved one.

“ Sally was a wonderful and skilled bridge player. She was so much better a player than I, yet she was patient, encouraging, and made playing against her a learning and pleasant experience. I will always remember her kindness at the bridge table. She was generous with sharing jigsaw puzzles. She was an extraordinary gracious woman.
