

## Scott A. Arment

March 30, 2017

Scott A. Arment, age 52, of Ephrata, PA, passed away Thursday night at Heart of Lancaster from pancreatic cancer, with family and friends in attendance. He got the devastating diagnosis January 27 and passed away on March 30, 2017, just 2 months later. He went to join his father, Elvin "Ozz" Arment, who passed away in 2016.

Scott was a mechanic for Exide Batteries of Lampeter and previously worked for Integrity Plastics of Denver, PA. He graduated from Conestoga Valley High School and Brownstown Vocational School in 1983.

Scott had numerous "families" who are mourning his loss. He leaves behind the Geib family, Faye (Faith), Lamar, Keith, Jen, Lexi, and Kami Geib and Carina, Todd, Mckayla, Loghan, and E.J. Shelly. They were his second family and he enjoyed many trips, excursions and holidays with them. Much laughter and fun ensued when they got together. He often talked of his munchkins – Lexi Geib, Mckayla, Loghan and E.J. Shelly and his chicklet – Kami Geib. He loved them and they loved him back.

He also has the Buck Motorsports Park family and fans he leaves behind. Scott worked at the Buck for 41 years, starting at a young age selling programs, then becoming a track official for their motorsports racing events. Almost every Saturday night you'd find him teching vehicles, directing competition, flagging an event, riding herd on the competitors or joking with everyone.

His Vagabonds Street Rod and Custom Car Club family was also a big part of

his life. He enjoyed the support of his family at Exide also.

Scott's family wants to thank every one of these "families" for their love, support and help during his illness. Thanks to all the medical doctors and facilities that worked hard in what turned out to be a hopeless result. Thank you all.

His interests were woodworking, automotive engine building, showing his 33 Plymouth street rod with his dad, updating and adding chrome or shiny pieces on the street rod, going out on the boat to fish, taking the kids miniature golfing and playing pranks. He and Faye built and entered a number of floats for local fairs and Make-A-Wish and breast Cancer Awareness events. The last float was for the Amvets Post 136 and won 4 firsts and a second last year. He put the 33 Plymouth street rod on display at Burle Industries at the Mothers day convoy for Make A Wish so some of the kids could get photos at the wheel of this special car. He was a certified Tech Official with Lucas Oil East Coast Pullers Assn., a member of the Vagabonds Street Rod and Custom Car Club, and a member of Amvets Post 136.

Born in Lancaster, PA to Dorothea "Dotty" (Loeffler) Arment and the late Elvin Arment, he survived by his mother; 4 aunts, an uncle, 13 nieces and nephews, and many relatives in the Arment, Newswanger and Loeffler families.

The family will receive friends during a viewing at The Groffs Family Funeral and Cremation Services, 528 W. Orange St., (corner of Pine & W. Orange St), Lancaster PA on Tuesday, April 4, 2017 from 6-8:00PM. Service and inurnment will be private.
