“ Ted and I were notified about Shari on Friday but Ted was in the hospital and the doctor walked in as he answered the phone. Unfortunately he missed the telephone # and we were unable to get back. Ted and Shari were friends for years through her husband, Jim , Ted having worked with him at RCA. They were both members of the radio club and also members of the susquehenna Yacht club. We will miss Shari and our visits at the annual corn roast at SYC.
