

Sharon Broome LeFever

July 30, 2020

Sharon Broome LeFever, 73, formerly of Lancaster, then Manheim, PA passed away Thursday July 30, 2020 at Moravian Manor in Lititz, PA. The family would like to thank the staff at Country Meadows, Moravian Manor, and her close group of friends for caring for her during her time there.

Sharon was born in Lancaster, PA, the only child of Edward and Helen Jane (McKelly) Broome. After graduating from JP McCaskey High School, she worked for PP&L. Her career path changed to wife then Mom, kisser of hurts, drier of tears, attender of softball games and cheerleading competitions. Always on the sidelines and in the stands with cheers and support. A secret artist, she enjoyed drawing, painting, calligraphy and crocheting, and even started a small candy business with life long friend, Lynn. Sharon later worked at Franklin and Marshall college as a secretary for the Associate Dean of the college/Center for Jewish life until retiring in 2017. She had a kindness for the underdog, and if you were her friend she would give you her last dime. At her home, she took pride in her flower gardening and loved spending time with the many animal friends that lived there with her. She is loved and will be greatly missed. Surviving is her daughter, Michelle LeFever married to John Hughes, Taos, NM.

The family will receive friends at The Groffs Family Funeral and Cremation Services, 528 W.Orange Street, Lancaster PA (corner of W. Orange and Pine St.) Friday August 7th from 10am to 12pm. Service and interment will be private. Masks and social distance is required. In lieu of flowers, donations can be made in her name to Lancaster Humane League at humanepa.org.

“ Sharon was the first person To greet when I first went to work at Residential Programs at F&M in 1995. She befriended me immediately and we enjoyed every day with laughter and interacting with students and co-workers. A genuine person. Kindhearted and generous. Honest with a determined way of speaking and living it. Over the years since then, we remained friends and shared in each other's ups and downs. I will miss you Sharon. I know you are at peace. Farewell my friend. Always , Claire

“ So sorry for your loss. I remember Sharon being the first person you saw when walking into the residence life office from 1988-92 when I worked for Ralph Taber. I remember Sharon showing me a cross-stitch piece her mother worked on prior to her death and Sharon was going to leave the needle where it was and frame the piece. I'll never forget Sharon's compassion for all. Prayers for your family.

“ My sincere condolences to Mrs. LeFever's family. While a student at F&M, I worked for her in the early 2000s for several years at Dean Ralph Taber's office. She was such a funny woman with a sharp wit. May her memory be a blessing!

Sincerely,
Michael Singer

“ I would have to write a book if I included all the memories Sharon and I shared. From the time we were little kids playing “Mrs” in the backyard to high school with our many boyfriends to being real life “Mrs” and becoming Mothers. She was the dearest friend I had right up to the night she passed. I will never have another friend like Sharon and I know I will miss her every day until I die.

My friendship with Sharon started when our girls got to be best friends, starting in Elementary school through High School. Sharon and I had many good times together, even after the girls graduated. I spent some fun times at her nice place in Manheim. We loved to go dancing too, and we were good. I visited her when she was ill, and cried most of the way home. Michelle you have my thoughts and prayers.

I was so sorry to hear of my cousin Sharon's passing. We had lost touch many years ago. Was not surprised to learn that she had many close friends to support her throughout her illness. She was a great comfort to me when my Father died so suddenly. God bless Susan Broome Bucher

Regretful for having lost touch with Sharon, my cousin, over the years, I was so glad to read what a full life she had lived, with loving friends, varied interests and a loving daughter. My sympathy to Michelle and family. Sharon was a beautiful person. My thoughts are with you.....Brenda Broome
