“ Shirley babysat out kids starting in 1994 and I have so many good memories of her. I remember the time she took the kids to the park for a picnic. I went along. She did that 2 years in a row and it was so much fun. There are many good memories, too. She was so nice to the kids and such a wonderful person. Rest in peace, Shirley.

“ Shirley was a wonderful neighbor and a good friend. When we moved to Lancaster in 2004, she welcomed us and showed us around. She took me to Roots market, Pine View Dairy, and the "corn wagon". We attended a compost seminar together. She taught me how to make sauerkraut and we often exchanged recipes and gardening tips. We both bemoaned the persistent groundhog that visited our gardens. We miss her already. I will especially miss her in Spring when gardening season begins.

We are unable to attend today's service, but offer our condolences to your family. Shirley was well loved and will be missed by many.

We will keep her and your family in our prayers.
