“ *Our hearts are breaking at the passing of our Aunt Shirl. She was blessed with the ability to always make us smile and laugh - and that is what we will remember. We will always treasure the times we were able to spend with our Aunt Shirl. She always brightened up the family Christmas get togethers. She will be dearly missed, however, it brings peace knowing she will be our other loved ones who have passed before. Every time the sun shines, I will know she is smiling down on all of us. Our thoughts and prayers are with the entire Waller family, we love you all.*
