“ We send our deepest sympathies to your family at this difficult time. We delivered from her pharmacy and she was very nice to us and we enjoyed meeting her.

“ Mom Shirley was a dear friend and coworker of mine . We had many a days of frustration but many more with laughter . Shirley always made sure I ate when we worked together and was feeding our residents. Two grilled cheeses , sliced into triangles, was always sent up to my office . When we encountered a particularly “quirky “ resident , mom Shirley would chuckle and say “ he’s/she’s a real honey “ !! But mom Shirley had a heart of gold and was a honey of a gem !! 🍷 ❤️ 💎 Paul Maz.
