“ Shirley was a valuable member of the ladies auxiliary of the Lampeter Fire Company. She was friendly, fun to be around, worked hard, and such a nice person. Condolences go out to her family. She loved you so much.

“ I read your obituary with much sadness. My dear old friend, we shared so many great childhood memories that have lasted a lifetime....we danced together, we sang together, played jacks, jumped rope, had our first boyfriends, got our first jobs. We even got married close together and had our children around the same time. You moved from center city to the country but we kept in touch. I am so glad you were in my life Shirley and I know we will meet again. May you sing with the angels. Your friend, Pat.
