I really enjoyed seeing my Aunt Shirley's children, with their mother, when they were little. She was a beautiful person. She will be missed.

Aunt Shirley will be remembered by me as a woman who always saw the glass half full instead of half empty. Her smile would light up the room & her laughter and giggles were infectious. I will remember her for being a woman of great strength; to be able to get through the loss of a child, meant to out live you; takes a great deal of inward strength. I am glad that I know she is in heaven, and after seeing her Saviour, she was reunited with her family who had gone before her. In the blink of an eye she was gone from us but reunited with them to live pain free, walking the streets of gold. We will miss her, as she left a void, she had a fierce love for every member of her large family. She left a legacy of love---and will be missed by everyone whose life she touched.
