

Spencer Garrett Blackiston

October 20, 2020

Spencer Garrett Blackiston passed away on Tuesday, October 20th, 2020 in Willow Street, PA.

He was born in 1996 and fulfilled his dream of being an Army Combat Medic-68 Whiskey. Spencer enjoyed grilled cheese dipped in a milkshake, watching movies with his girlfriend and dog, and making people laugh during their darkest times. He was a harder worker than most, and was unwaveringly loyal to his family and loved ones.

He is survived by his mother, Loretta Blackiston, brother and sister-in-law, Bryan and Audrey Blackiston, sister, Gillian Blackiston, and partner, Rhiannon Ippolito. Spencer will be missed by so many people and the world is a darker place without his bright smile in it.

Spencer was preceded in death by his father, Paul Blackiston.

A Memorial Service will be held at Boehms Church, 13 W Boehms Road, Willow Street, PA 17584 in the Fellowship Hall on Saturday, November 7, 2020 at 1:00 p.m.

All who would like to celebrate the life of Spencer are welcome to attend, and masks are required in the building.

“ *I haven't spoken to Blackiston in years but I was sad to see that he passed. He was a bright and cheerful soul that I'm glad I got to meet even for a short while*

“ *Hi, I did not know Spencer, but recently found a message in FB from him (that was not in my regular chat) saying that he had looked me up because he found my Wells Fargo debit card and was trying to let me know he had it. I had lost it in the Lancaster city where I work, and it appears Spencer worked in Lancaster also. When I didn't respond right away, he said he left it at the bank for me to pick up. I had already canceled it shortly after I lost it (when I didn't find it right away), but it was so nice of him to take the time to find me and let me know. Someone he had never met. I did recently message him back and then later looked at his profile and saw that he had passed away, it made me so sad. I pray for healing for all who knew and miss him, I consider myself in a small way part of that circle.*

“ I remember how Spencer would always give me a great big hug and ask how I was doing. He had the sweetest smile and such a big heart. He will be missed.

“ I'll never forget Spencer's bright smile. He could make anyone laugh without much effort. Even back I'm elementary school. The world is definitely a darker place without him in it. This is a great loss, but heaven gained an amazing angel ❤️ Thinking of his family, and praying for them.

“ Spencer Blackiston was one of the medics in my unit. He was a good Soldier and seeing him at work always made me happy. He was very helpful and he was a great person to have around, always making people laugh. My heart aches knowing he is no longer with us and I wish he knew the joy he brought to our lives.

“ *I am so saddened by the news of Spencer's passing. Spencer was a good friend of my son, Kyle Banner. I have the fondest memories of Spencer from middle and high school. I will always remember his smile and how he was always so extremely polite and well-mannered. As a kid, he always had the mature ability to carry a great conversation with adults. I loved that. He even came along with me once to do volunteer work for Big Brothers Big Sisters. The world is a darker place without him. I am thinking of your family and wish there was a way to lessen the great pain you are all experiencing right now. Prayers for peace to your entire family.*
