To the Wilkerson family your Dad was always so kind to people during their time of loss of a family member, praying for healing during your time of loss of your father. He always gave back to the young people in Lancaster city through Scholarships and he always ask me if I knew of young people who want to go to school and learn his trade of work. He offer to help them financially so they could come back and work with him and take over the business one day to help our folks . Will ready miss him, but know he is in a better place.

“ Never will there be A more kinder man that did so many things for this town of Lancaster Pa. The love he gave , the people he touched. If you met him you would be A better person because of it. There are no words to tell about a man like Spencer, A friend,just someone who wanted to help everyone, someone who has gone the distance who made life have A true meaning. A man who touched so many lives with love and understanding. With so many things going wrong in this world I always looked for someone like(Spencer F Wilkerson)as A (Positive roll model). If I could have my way I would have 100,000 more just like him. I will miss you (Mr. Wilkerson) seems you where always there and you made this world A better place.It seems good people don"t last forever,but I will go down this long and dusty road and hold on to the memories of you as long as I live. Thanks so very much for being you, your friend. (.Barry Patterson).

“ I worked with Spencer Jr but had the privilege of meeting his Dad several times.
One time while sitting at a traffic light in the mail truck he drove up beside me tooted the horn I looked over see his smiling face and his hands like he's measuring something. Part of his sense of humor about his business. His sense of humor and smile were handed down to his son. Now heaven is Blessed with it and his owl sound.
Condolences to Spencer Jr and family

“ When Spence worked the night shift at the downtown Post Office, he would coo like an owl "whoo woo woo woo " into the ladies room. If no one answered, he assumed it was empty and would go in to clean. That was over 40 years ago, and my husband and I still use it to find each other in a crowd or the back yard, for that matter. Spencer always greeted others with a smile and kind word. If you were down in the dumps, you would be lifted up by seeing Spencer. He passed that wonderful attitude for others down to his son who also greets with a smile. Thank God for putting Spencer in our world to make it a happier place. See you in Heaven ! Eileen Hodgen

Revelations 20:13~ And the sea gave up the dead in it, and death and the Grave gave up the dead in them, and they were judged individually according to their deeds.
