“ *We extend our deepest sympathy and love to the Hemming family. We met Stella while on an assignment in London for Armstrong and spent 2-1/2 years in her company in England. She was so caring for our entire family including our 3 young sons who were always invited whenever she was hosting a party. We became a loving and caring family and Stella became a sister to Lucille which continued upon their return to Lancaster. She will be missed by all those who knew her.*

“ I am so sorry for the loss of your beloved mother. Cathy has related so many wonderful stories. I remember that Cathy made her scrambled eggs one morning and she thought that they were so good that Cathy should open a restaurant. Adorable. I hope you are dancing in heaven, sweet Stella.

I was so sorry to see this in today's newspaper. Stella was such a dear friend to my Mom. My Mom would take me to visit the Hemmings when I was little and you all lived on Walnut St. My prayers go out for your comfort.

We send our deepest condolences to the Hemmings. Everything in nature delighted Stella. It could be the ocean, birds, puppies, beautiful flowers in Cathy's Sea Girt garden and of course, her loved ones. Our family is lucky to have been touched by her joy. One of our favorite memories is Luna, our dachshund napping in her lap on Cathy's porch. We know she'll continue to send her joy and love to all of us.
