“ *Dear Cindy,
I regret that I was not at the service for Stephen today. I would have preferred to give you and your family my condolences at that time. Find strength in yourself and each other. Know that your friends will be there to help, if asked.*

“ *Cindy & Family,*

I was shocked to learn of Steve's passing. I had the pleasure of working with Steve at Black & Decker from 1991-96. Unfortunately, I lost track of Steve after the Lancaster service center was closed and moved to York. I have many fond memories of Steve and will always remember him. I am so sad to hear of your loss. He was taken much too early. Rest in peace my friend.
