

Susan E. Brubaker (Herr)

July 26, 2016

On the morning of July 26, 2016, Sue was called home to rest in His loving arms, where she can join daughter, Toryn, father, Malvin W. Brubaker.

She is survived by her mother, Joyce C. Brubaker, sister, Julie Rodriguez, brothers: Tom and Malvin Brubaker, and daughter, Codi Herr.

Sue loved her girls more than anything and made memories building castles with them in the sand. She loved sunsets and was filled with so much hope.

She had a strong spirit and a beautiful soul. She fought the good fight and kept the faith. We will miss her more than she knows.

Relatives and friends are invited to Celebrate Susan's Life in a Memorial Service to be held at St. John's Episcopal Church, 321 West Chestnut Street, Lancaster, PA 17603 on Thursday, August 11, 2016 at 11:00 a.m. with The Reverend John Morris officiating.

In lieu of flowers, donations can be made to Humane League of Lancaster County.

“ *Dear Codi,*

Our heartfelt sympathy to you and your family. All of you are in our thoughts and prayers. Your mom loved you very much and was so proud of you. I remember when she would talk about you she would have the biggest smile and she would smile with her eyes. I pray you find comfort and peace knowing just how much you meant to her and how much she loved you. I will always remember the good times we had at the beach together and our talks about God. She loved watching the dolphins from the beach and I remember how excited we all would get when they would perform in front of us. We were so blessed to have your mom touch our lives. I am especially grateful and blessed that she came into my life and was my dear friend. I will miss your mom but I know she is another angel in heaven watching over all of us and especially watching with Toryn.

Thinking of you and your family and wishing you peace and comfort. May you feel God's love for you and his embrace. Please remember when you are having a tough time getting through the pain, "I can do all things through Jesus Christ who strengthens me." We love you Codi!. Hugs from all of us to you Codi.

*Love,
Debra, Mack, Jamie, and Matthew*

“ We were so sorry to hear about Sue's passing. Our sympathy goes out to all of the family.

We got to know Sue when her sister Julie played basketball for McCaskey under coach Bossert.

She was a great fan of her sister and the team. Sincerely, Lee and Sandy Bossert

“ I remember Sue back in the day when Julie and I would hang out (high school years). Sue was always so care free and I remember thinking then what a wonderful spirit that she had. Julie was more serious and followed the rules (in a good way) and Sue would say things like "Julie why are you worrying about this or that". It was fun to watch the two sisters interact as they had different personalities but a deep love for one another. I am so sorry for Sue's struggles and pray she is at peace and spending time with her beloved daughter in the beautiful space of Heaven. Prayers to all of her family and friends at this time.

“ My condolences to the family.....she will be missed. We only recently re-connected and had dinner and shared memories of living on the hill. Many nights of kick the can or tag. Swimming in the pool and lunches made by her mom we ate on the back step. Cookie....sometimes she liked me sometimes I couldn't get to the back door to knock. Lots and lots of memories will be locked in my heart. Will never forget you sue a long time old friend. Wish we could have spent some beach time together. We loved it both as much. Gone too soon my friend.....see you sometime on the beaches of Heaven where we can sit in the sand and chill with no more pain.....till we meet again. Karen Garrett (Royer)

“ Dear Brubaker and Herr Families,
I'm so very sorry to hear of Sue's passing. There are no words I can say that will fill the void of your loss. I remember the many great and fun times I had hanging around with Sue and Julie. Sue always created an adventure and was so enthusiastic letting us tag along. (Day trips to the beach in her cherished MG, concerts in Philly, nights out in Lancaster) She was the coolest big sister, ever. I know motherhood was her most cherished role and she excelled at it. Her girls were her world and she rocked that world!
Although Sue's genuine and gentle smile will be missed, her legacy lives on in each of us. She showed us grace under pressure and dignity against adversity.
Your families are in my thoughts and prayers during this difficult time.
