“ *Myself and the Arrow Philadelphia family are deeply saddened to hear of Sue's passing. She was always so kind to me since the day I met her back in 2010. I feel that we had a friendship that I could be more open with her than I could with most of my customers. I'm really going to miss her, the conversations, and the lunches at the sushi spot down the road (she always got the pad thai and clear soup). Forever missed! Rest in peace Sue!*
