“ *So exciting to know that your mom is with her Lord and Savior. Joe , it was always special when you joined your mom for church. She loved that. Ida, I was so glad to be with you the last time I got to see your mom. I have good memories of that visit....singing, laughing, remembering, enjoying God's creation. We are so thankful for Sylvia 's life and her ministry at Lancaster Grace. The kitchen crew (and all of us) missed her service. Galen and I enjoyed the fruit of her hands especially at holidays. She brought laughter and joy and was used by God to bless His people. Galen and I are remembering you at this time. We are traveling and visiting my sister. I was just thinking your mother would love for you to remember that The Lord is near to all those that call on His name. Prayers....Elsie for Galen (Wiley)*

“ *I remember when I was living with Joe and we went up to visit Sylvia (with Cindy and Wendy) when she lived in the trailer up somewhere above Ephrata. Paul was gone by then, and it was the first time I ever met this woman. She was very warm and kind to me, and we had lunch there with her. So sad for all of you, I know what it's like to lose your Mom. It doesn't matter that she had a full life (my Mom was 94), it's still hard. My thoughts and prayers are with you all. I never had brothers and sisters close to my own age, so it was always great hanging out with you all. Cherish all the memories you have of her over the years.*
