“ *When we were young we shared a bedroom, toys and clothes. We all dressed alike so we looked like quadruplets because we were all close in age. Lots of fun times/memories of my sister Tam. I will treasure them forever. She will not be forgotten. Love you Tam. ❤️*

“ Always had fun playing yatzee with her and mom on the porch. Just having her as a sister was a pure joy. Tam was always happy even as a child.

What I remember is how pretty she was but most of all was her infectious laugh. My kids had so much fun going camping and staying overnight with all of you. Good memories for sure. Love Aunt Linda
