“ Terrence, oh what can I say about this man!!! I can say that he was a good man. I had the pleasure to call him my boyfriend way back in kindergarten lol, many years passed he moved away but somehow we find each other again back in a school setting. As young teen parents we worked things out for our son coparented the right way. As a little girl growing up Terrence was my first true love and I will always love him. He holds a very special place in my ❤️. I can remember the day my son was born and my mom said “omg he looks like his dad “. All I could do was smile cause the nurse thought it was bad lol. I look at my son and know he is and forever will be his dad’s twin. Rest easy old friend and watch over your family send that sign that you are ok!
