“ I just want to express my sincere sympathy to your family. Although I did not know your mother for long, I really enjoyed taking care of her. We had a lot of laughs and some tears. She told me that she loves you all so very much and that she didn't want to go but knew it was time for her to rest. She fought very hard. She was a very special lady, which I am sure you all know. I am glad she touched my life. Celebrate her life as she would want you to do. You are all in my thoughts and prayers.

“ Scott and Todd just wanted to let the two of you know that your mom did a wonderful job raising two of the best boys a friend could want. I am truly sorry for your loss.
