“ *I could write a book about the crazy things that I have seen cilnets say and do over the last 16 years designing and remodeling houses. I had a client (a surgeon) say it perfectly about ten years ago, when she told me, " I didn't hire you just to design my house, but to save my marriage."*

“ *May God be with you, Pastor Devonshire, as you grieve the loss of this gentle, caring., loyal lady with a quiet dignity. While she rests at perfect peace I know you will miss her. You stood beside me as I bid farewell to my 94 year old mother, several years ago. May my words stand with you now.*
