“ *My deepest condolences to the family for this tremendous loss. May
the words found at Isaiah 26:19 bring you comfort in knowing that
you will one day see Theresa again.*

*Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and
shout joyfully, You residents in the dust! For your dew is as the dew
of the morning, And the earth will let those powerless in death come

We offer our sincere condolences to the whole Herr family at this their time of mourning the loss of a beloved wife, mother, and grandmother.... or 'gram-mere' as she preferred. Having known her was a privilege. Thoughts of her now bring memories that continue to make us smile. We remember times spent searching for Hayley's comet (the southern hemisphere view of it) and in our futile attempt to win a game of Scrabble with Theresa as (we know now) as an unbeatable opponent. She had a gift for anything to do with languages as well as an innate diplomatic nature and a friendly way that will be long remembered.
