“*Davcon Relocation Services met Tom and Ann back in 2014 when they needed moving services from Germantown, MD to Woodcrest Villa then again in 2024 when they moved into an apartment. They were both so pleasant and fun to work with and their daughter Carolyn. Tom’s mind was sharp, he knew much about history and always had a smile on his face. When I would ask him a question on packing up his household items, he would say...” oh, just put it in a box, we’ll get it from there.” 😊*

He LOVED his family and was so grateful for life.

To Ann and the family. We are so sorry for your loss. May Gods healing and prayer comfort you at this time.
