So sorry to see this! I have memories of your brother when you guys lived by Burrowes Elementary. Although many years have passed since I last saw Tom, I can still picture him as a high school kid. My thoughts and prayers are with you and your family.

“ Tom was the nicest person you could ever know. I met him at 6th Ward park, he always treated me like a little sister. I have some great memories of times spent with him. We would go bowling, drive-ins, the local fairs. He helped me learn to drive in his blue gremlin while he listened to the Cars on his radio. My mom never had to worry as long as I was with Tom. I also worked with him at FDL for awhile. I'm sorry we lost touch over the years. Heaven truly gained angel.

“ My brothers and I knew Tom from Sixth Ward Park. One of the nicest people I have ever met and always enjoyed have a laugh or two with Tom. He would give you the shirt off of his back if you needed it. I remember him loading up his pick up truck and going places with friends to either the drive-ins or anywhere you wanted to go. For my brothers (Scott and Kevin Helm) and I (Brian "Bud" Helm) the world is a lesser place without you.

“ I worked with Thomas at QVC and after all these years I was just starting to get to know him better and we started talking more frequently at work. He always said hello when we started the work night and goodbye at the end of the work night and often listened to my concerns. He was an approachable person and can talk about just about anything and carry on conversation and wasn't afraid to speak his mind or speak up for others is how I'll remember him. It will be strange to not see him at work anymore. It's hard to believe he has passed away. Praying that he is at peace and prayers for his family.

“ I worked with Tom at QVC for the past 10 years and he was such a kind, caring person. He always asked me about my daughter and wanted to see photos of her prom and special events. He worried about her when she started driving and was so sweet. I'm sorry for Tom's passing and wish him eternal peace. My thoughts and prayers are with you his family in your time of sorrow.

“ Steve & Paula,
My heart is broken for the terrible loss of your brother. He pushed himself at the
Q and every time I saw him he greeted me with a hello and a smile.
He was definitely an outgoing coworker. I will miss not seeing him around. God Bless you two for all you've done to enhance his life!
Love you both, Barb Kambic
