“ Tom and Sina and Jose and family,
Words cannot even begin to explain how deeply sorry I am! This sad news just broke my heart. Praying for comfort in this dark time and just remember he is smiling down on you all. Hold onto the memories. He may be gone in body but the spirit lives on as well as the love. For love has no beginning and no end and will forever live in in the heart.

God bless you all.

Love,

“ Tj I can't understand how and why this happened I guess all I can say is God had a better plan for you I can remember when you stayed with Jeff and I and how helpful you were how you would eat a dozen of eggs in one sitting and how jay would follow you around like a lost puppy I remember when Jeff put you up on a roof for the first to do a job and I could see the fear in your eyes so you started a fight with him just to get down and then you ended up working on roofs and I've only met one person funnier then you and you came from his so i guess it explains your sense of humor we all will miss you greatly please keep an eye on all of us and keep us safe love you kid rest easy

“ Thomas
there's not enough words in the dictionary to describe how much of amazing young man you were and how much you were loved and most of all how much you're dearly going to be missed . I always knew when I walked into my son's home when you were there that there was a connection somewhere somehow , just couldn't put it together right at that moment but Sunday night we put that all together , we had an amazing night and I wished that it didn't have to END !

Thomas

You will be in our heart EVERYDAY !

To my sister. I'm so sorry Sina. There are no words that I can say to fix this or even comfort you. I am here anytime day or night. To his father Tom and step father Jose...I say the same. T.J you will be missed and never forgotten. A smile that lit up the room and a wild personality that was the life of the party. You were always sweet to me. T.J... this one hurt... you left your mark. I love ya! Fly high sweet boy.
