“ Tina will be greatly missed our thoughts and prayers go out to her family ! I remember when he'd and Helen helped teach me how to drive along with many other fun times we had working together ! She used to always love it when I'd stop by for a hug from time to time , she said they were always so genuine she could feel the love flowing from me to her . Usually brought a tear to her eye as it's bringing tears to mine telling this story ! I'm sure she's having quite the reunion in heaven !

“ She was always the sweetest thing when I came into Jennies. I miss all the girls so much but am saddened I won't see Tina until I get to heaven. She got stuck with our Sunday biker breakfast crowd a lot. She always knew everybody by name and what they ordered. I am not a hugger but she always hugged me and I was ok with that. I will miss her a lot. I will miss our chats. Praying for the whole family.
