“ I would like to say to the entire Brubaker family that I'm sorry for the loss of your son, brother, husband, father and family member. I new Todd in school and afterwards I saw him on occasion which he always brought a smile to my face. The last time we spoke to each other was at Randy Ruhl's house when we all got together to go to our class reunion. well that didn't pan out because we ended up having to much fun right ware we were. And I must also relate that Todd , Shaubie and I taught one another how to drive my dad's station wagon one fine afternoon. May you rest in peace forever dude, your old friend, Kory Feister.
