“ *Just heard through my Brother Pete. My deepest thoughts and prayers are with the entire Smith Family. I have nothing but great and fun memories of Todd and his Brothers at their home and after school. I have a picture of when Todd and John Enright stopped by our house on their Journey across country. Rest In Peace Todd.*

“ *My condolences to the Smith family. I knew Todd during his growing up years. His father, John, and I were both friends and colleagues while we worked at Franklin and Marshall College. Rest in peace young man!*

“ *My condolences to the Smith family. I did not know know Todd for a long time, because I was the new kid in school, but we developed a fast friendship. He was a genuinely great guy and befriended me pretty quickly on my arrival at Hempfield. We had many great times together - as probably everyone who knew Todd can say. One of my best memories was going camping for 3 days of senior week with Todd & Vince. Rest in Peace Todd.*

“ I am sadden to learn of Todd's passing. I also grew up in Mill Creek Estates and what a great group of kids we were! I will keep the Smith family in my thoughts and prayers.

“ So sad to hear of Todd's passing. I always liked him as he was always funny and easy to talk to. Certainly had my share of memories at your house in our High School years. I'm sure you all are shocked and saddened as well. Thinking of you all and sending love and comfort. Jill

“ May Todd rest in peace with his mother and father. I met Todd when I worked at F & M with his father. We had some good laughs and shed some tears together. He once told me how proud of his family. He was a good egg.

Peace,

“ My deepest sympathies to the family. I had a very long and good friendship with Todd in our younger years. We actually traveled through 23 states together in 1985-1986 on our way to and from Dallas, Texas. Rest in peace Todd.

“ I cannot express my deep sympathy for Todd's family and friends - Todd is a genuine, honest, and true friend. Across many miles and years, Todd always brought a smile, great memories, and a connection between being much younger, how we had changed and learned, who we became. I was always reminded that Todd was that loving, caring influence from the earliest of days - I will always be thankful for the example he set for what the value of friendship can be. Rest in Peace Dear Todd - you live still in our memories and in who we knew you to be which cannot ever be more appreciated. Karen Hickman Soltes - Hempfield 1981

We will never forget meeting all of you at our family restaurant one Saturday evening. What a surprise we had when weeks later I looked across our street and saw that “the Smith family” were moving in and would be our new neighbors! So many stories, so many good times not to forget pranks played. The good old days! Denise, Stacy, Julie, Matt and Marty you are in our prayers. Our deepest heartfelt sympathy to all of you!

“ My deepest condolences to Todd’s brothers and sisters. While I had not seen him in quite a few years, his loss brings pain to my heart. Todd and I were very close friends in high school and well after. He served as best man in my wedding and was a close friend whom I loved. His faults of being both a Cowboys AND Ohio State fan could easily be overlooked because of the laughs we shared. Rest In Peace my friend.
