“ *Dear Dan, Dana, Jim and Terri, Twila meant so much to the doctors in our practice and to me personally. She was integral to building what we have today. While I know that she would still be working if she had her way, I feel privileged to have known and worked with such a fine lady. Respectfully, Mike Bianchi (Pennsylvania Oral and Maxillofacial Surgery)*

“ *It has been a real joy to know Twila and her family over the many years. Every time she saw me she commented that I taught her boys in Sunday School. She always struck me as a very gracious lady. In the last four years I have spoken with her most often at the morning devotions at Calvary Fellowship Homes. Her comments on the Scripture and her appreciation for the lessons from the Word of God were also so refreshing. May the Lord comfort and encourage the family at this time.*

“ *I was Twila's roommate. I enjoyed knowing her and her family. My late husband learned Greek from her husband. You have my deepest sympathy. Barbara*
