“ We only knew Vera a short time but she made a Huge Impact on us! Vera and our Mother, Eunice Hannum, were roommates at Ephrata Manor. The two of them hit it off immediately and formed a special bond. They were together morning, noon and night. Our Mother was dying from cancer and Vera became her ANGEL! Vera looked After Eunice and we feel it gave Vera a purpose. Some days we would go to visit Mom and she would be sleeping but we would have a nice visit with Vera. She would show us the picture colorings she had done. She gave one to Mom and we framed it. We will treasure it always. Vera was taken to the Hospital and during the few days she was gone Eunice passed away (May 2). My sister and I went to the Hospital to tell Vera in person. We only saw Vera one more time when she returned to Ephrata Manor. She was a Dear, sweet, sweet person with such a big heart. We tell everyone how she helped our Mother and Us through our Mother's last days. So glad we met this little Lady. Everything does happen for a Reason. We are sure she will be missed by her family and friends. Our thoughts and Prayers are with all of you.
