“ To Vi's family,

My deepest sympathy on your loss. I worked with Vi at Sears. In fact, she was the person who "trained" me my first day of work. She had me marking down merchandise at the old Sears on the Lititz Pike. The other girl that she was training with me never made it back the next day. Vi told me I passed the first initiation of Sears. I made it for 35 years. She was a wonderful person.
