“ Too many memories of Grandma to share them all! But one of my favorite memories is Grandma driving down Snake Hill Road, fast! With Beth screaming in terror and me screaming in delight of the way it made our stomachs drop! I will always remember Grandma's sense of humor and her hearty laugh! She will be missed by many!

“ I remember playing with Aunt Violet's dog Rosie and my cousins Paula & MaryAnn when I was a little girl. Then, poof, we were all grown up and I moved across the country. So happy to have been able to visit later in life to enjoy her company and share some pink lemonade! Peace and blessings on the family and my beautiful Aunt Violet! Love from Violet's sister Irene's daughter, Linda.
