“ *To Virginia's Family:
I was very heart broken to hear of Virginia's passing. I know that she was a wonderful friend from the first day we met. She had me in stitches most of the time.
She asked me if it bothered me if she was black and I said I am color blind. We worked together many years and she never forgot to send me a Christmas card.
We had just made plans to go out to eat to catch up on old times. I know she is in a better place now, I miss her already. God received a beautiful angel!*

“ Rochelle was a wonderful person. She was wise, kind, and very caring. I am honored to have known her. She will be greatly missed and will always have a special place in my heart. My regret is that I did not get to keep in touch with her as much as I would have liked, losing touch over time, but I did speak with her from time to time. I will always cherish her memory. My love, support and condolences goes out to you Stephanie and Jacquelyn, Connie, Regina and the rest of the family.

Peace

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"

“ Dear Family,

Virginia was an awesome woman. I have known Virginia for many years but really only came to know her as a co-worker at Domestic Violence Services. She was genuine, dependable, reliable and kind. She loved spending time with her family. Virginia was committed to walking out God's purpose for her life; she was committed to helping others. I am going to miss our late night conversations and her kind, gentle spirit. I heard a pastor describe God's heavenly bouquet of flowers. I am sure Virginia is now a new flower in his heavenly bouquet. May your loving memories bring you comfort in the days ahead.
