“ *Dear loved ones,*

Uncle Wayne (to us) was a very special man. We loved his smiles and chuckles but most of all we loved and respected this man of faith for his love of the Lord and his desire to model His behavior. He always tried to right any wrongs he may have done and he prayed regularly for, not only immediate family, but also extended family and friends. He was an excellent role model for others - a faithful servant. Even though we were thousands of miles away from him, we shall really miss him..

Please know that we are praying for you as you move on without him.
