“ *I remember when we were smaller and Billy & Tommy got their first 10 speeds i believe and two days later they disassembled them both They were good with taking them apart but not putting back together. So many nuts and bolts were left over. With those two where one was the other was right behind.*

*Billy you will be missed. May God bless you. Enjoy being with Mom,Dad and Teri. Till we see you again.*

“ *My brother was a year older than me. My brother had a heart of gold. Growing up I always wanted to hang around with Billy, where he was I also wanted to be. Nothing hurts more than losing someone you love. But I know in my heart that our Lord Jesus Christ has my brother in his loving arms. Love you Billy. God's blessings.*
