“ Billy was a special light in so many lives that was taken too soon. He was a loving and devoted father to all 3 of his daughters, he was a loving partner, son, uncle, brother and friend. His passing has left a hole in our hearts and he will be forever loved and missed. I will remember him as my little brother who always wanted to tag along with my friends and I- coming to my house on most weekends and summer breaks once I moved out, being such a sassy but loving and devoted man to all who he loved and who loved him. He did life his way and made no apologies for who he chose to be. My little brother was so many things to so many people but to me, he was one of my very first and truest of friends, he will always be one of my most favorite people I had the pleasure of doing life with. Rest in Peace and surrounded my love little brother until we meet again <3

“ Bill was a great guy, I worked with him at Donnelley for many years. He was always funny, quick witted and very entertaining. He will be missed by everyone who he befriended. My thoughts and prayers are with his family.
