“ Bill was most definitely one of a kind. We spent many hours talking and swapping stories about our lives and living with cancer. He had a great sense of humor and a way about him that made him easy to talk to. He was good friend and a great person. He will be missed.

“ I met Bill in 1997. My husband had passed away and I was attending a growing through grief meeting at Groff's. Bill and I just clicked. My favorite memory was him removing a skunk from my window well - just needed tongs!!! He was a wonderful friend. So happy he had Alan.

“ It's hard to believe the person with such a huge presence has left us. I know he is happy to be with his parents & siblings, but has left a big empty space with those of us who remain. His family a a cabin on the Susquehanna River (Hennery Island), the same island my grandparents had a cabin. What a wonderful place to "grow up" & many of my childhood memories include Bill.... and usually with a lot of laughs!! We crossed paths now & then as adults, but Facebook provided a new connection. He continued to keep me laughing. I was blessed to be able to visit Bill, Alan & Deb; (Bill's sister) before she passed. Seeing Bill & Alan together was awesome. I got to see Bill happier than ever. My heart aches for Alan, but I'm always just a text or phone call away Alan!! Bill, try not to cause too much of a ruckus on the other side!! Until we meet again, much love! ❤️

Bill and Alan have been our friends and neighbors for many years. Bill had a quick wit and kept us entertained on Facebook. He was also a very caring person with a huge heart. He and Alan cared for their neighbor and dear friend, Margarete, until she passed, even during times when Bill was struggling with his health. Bill was a loving spouse to Alan and he was also a patriot who loved his country. We will dearly miss Bill and we send love and prayers to Alan during this very difficult time. 💙
